The Central Indiana Clean Cities Alliance Presents Third Annual Stakeholder and Partner Awards

INDIANAPOLIS – Today, Thursday, March 12, 2009, the Central Indiana Clean Cities Alliance (CICCA) will present its Third Annual CICCA Stakeholder and Partnership Awards. The presentations will take place during lunch at CICCA’s Hybrid and Electric Vehicles Workshop, the first in its 2009 series.

These awards were designed to recognize members who “walk the walk” and “talk the talk” in alternative fuels and transportation technologies. Below is a recap of each awardee and their respective alternative fuel and or technology of choice.

Pro-Build Carter Lee Lumber

Outstanding Accomplishment in the Implementation and Deployment of Biodiesel/B20

City of Ft. Wayne

Visionary Development and Implementation of Hybrid Vehicle Technology

Productive Concepts, Inc.

Comprehensive Alternative Transportation Technology Deployment

Citizens Gas

Outstanding Leadership in Natural Gas Vehicle Promotion, Deployment and Station Management

Ft. Wayne Community Schools

Air Quality Improvement Through the Implementation of Diesel Oxidation Catalyst Technology in Bus Fleet

Styline/OFS

Implementation of Fuel Economy and Idle Reduction Technologies in Fleet

Indiana Corn Marketing Council

Outstanding Leadership in Ethanol Research, Promotion and Deployment in Indiana

Ed A. Friel

Outstanding Service
CICCA Board President
2006 – 2008

Clean Cities is a U.S. DOE sponsored program promoting alternative fuel vehicles (AFVs) and fuels at the grassroots level to improve our nation’s air quality and lessen our dependence on foreign oil. CICCA was designated as a Clean Cities Coalition in 1999. For more information, please visit www.cicca.org.
